Very traditional rose blocks, a decorative circular frame and ("Oh my!") pieced Ohio Stars are the foundation for this new quilt design. It's all about choices...

The twelve applique motifs are a variety of wreathes and bouquets all using the same repeating rose and flowers to achieve a very traditional album look. Each of these are framed with a scalloped circular frame and reverse applique feather motif. On its own, this makes a very nice quilt design, but set the blocks on the diagonal and add alternating pieced blocks and you a much more interesting quilt!

It's all about choices, diagonal setting or straight, frame or no frame, reverse applique corners or not, you decide... Customize your quilt to suit your taste. No matter how you decide to layout your quilt you can rest assured it will be "Charming"!
