

Token of Remembrance

Elaborate gold lame reverse applique corners surround this award winning, 47" x 47", Victorian style wallhanging. It is just overflowing with elegance and was featured in Elly Sienkiewicz's, "Dimensional Applique" book. The scherenschnitte fan designs are gold lame fused into place and delicately edged with lace, beads and rhinestones for that added sparkle. The dimensional silk flower bouquets add color and enhance the intricate inked sentiment featured in the center of the quilt.

Applique fans are sure to find this quilt a rewarding challenge.

Pattern : \$15.00

The pattern package includes full size pattern sheets for the quilt including the calligraphy design. In addition, all of the various applique and dimensional techniques such as the flowers and beaded applique, (beading and applique at the same time) shown in the quilt are explained with complete detailed instructions.
